

SKIN-ON GADUS HADDOCK 5/8
AGHO508

Pack Size: 3x6.81kg

Details: Gadus Frozen at Sea - fresher than fresh!
Production is prepared onboard the fishing vessel Gadus.
Steps are taken at every juncture of the fishing process
to ensure that frozen-at-sea products are as fresh as
possible. Frozen-at-sea fish has been called fresher than
fresh because within four hours from leaving the sea the fish is processed and
frozen.

Please note that whilst every care is taken to ensure the accuracy of the product ingredients, allergens and other data it should not be relied upon. Ingredients and recipes do change and the label should always be checked for the latest information.

Please contact the T. Quality Telesales Team for further information should you have any queries.
