

PEACOCK GROUND RICE LGRP010

Pack Size: 10kg

Details: Made by milling rice into a coarse flour, which has the same granularity (particle size) as rice cones. It is naturally gluten free and neutral in odour and taste. A light application of ground rice onto wet fish helps absorb excess moisture.

Allergen Information

Contains:

No allergens

Please note that whilst every care is taken to ensure the accuracy of the product ingredients, allergens and other data it should not be relied upon. Ingredients and recipes do change and the label should always be checked for the latest information.

Please contact the T. Quality Telesales Team for further information should you have any queries.
