

## LID FOR 8OZ LEAF DESIGN CONTAINER MSCL100

**Pack Size:** 1000

**Details:** PLA Lid for 8oz Soup Container. Part of the EnviroWare range, these lids are made from white PLA (plant starch) and are suitable when serving cold foods, ice cream or desserts. They are resistant to temperatures to a maximum of 40C. Lids fit the corresponding paper food containers securely, therefore helping to protect food and aid safe transportation. Both containers and their lids, can be commercially composted with

Please note that whilst every care is taken to ensure the accuracy of the product ingredients, allergens and other data it should not be relied upon. Ingredients and recipes do change and the label should always be checked for the latest information.

Please contact the T. Quality Telesales Team for further information should you have any queries.
