

## INSULATED DELIVERY BAG T19 30LITRE CAPACITY RIDB019

**Pack Size:** 30 litres

**Details:** These all purpose bags are strong and durable with mesh pockets on either side. The bags have twin webbing straps which are stitched underneath the bag for strength and durability. The mesh pockets can be used to transport cold drinks bottles/cans, while the food contents remain warm in the bag. The bag is accessed via a chunky enclosed 10mm double zip on three sides of the bag, this allows the contents to be accessed easily.

Please note that whilst every care is taken to ensure the accuracy of the product ingredients, allergens and other data it should not be relied upon. Ingredients and recipes do change and the label should always be checked for the latest information.

Please contact the T. Quality Telesales Team for further information should you have any queries.
