Product features

Prevent dangerous bacteria from spreading during prep
with the Hygiplas green low density chopping board.

Available in a variety of widths, this chopping board provides all the space you need
for prepping both large or small quantities of food.

Please note that this item will be delivered separately from your main T.Quality order.

Please note that whilst every care is taken to ensure the accuracy of the product
ingredients, allergens and other data it should not be relied upon. Ingredients and
recipes do change and the label should always be checked for the latest information.

Please contact the T. Quality Telesales Team for further information should you have any
queries.
